

# Saving Animals from Euthanasia

**Petco adoptions are not available at this time.**

**SAFE** is receiving an overwhelming number of adoption applications for dogs! Our dedicated all-volunteer group is carefully reviewing these applications as quickly as they can. We thank you for your patience!

Potential dog adopters will **only** be contacted to meet a dog if approved by the foster.

If you submitted an application, check the website to see if the dog you are interested in is still available. If the dog is no longer on the website, it means they are scheduled to meet a potential owner or they have been adopted.

Thank you to all our potential cat adopters!

You will be contacted via email.

**Donations are always needed and greatly appreciated.**

Donations are accepted through PayPal.

All donations are tax deductible, SAFE is a 501(c)(3) charity.
